

**EXPERIMENTAL MODULE 1: DEPRESSION SCALE**

Now we would like to ask you a few questions that are much like ones we have asked before--researchers are frequently interested in whether small differences in the way questions are worded have an influence on the answers.

Please tell me how often you have experienced the following feelings during the past week--all or almost all of the time, most of the time, some of the time, or none or almost none of the time.

	ALL OR ALMOST ALL (1)	MOST OF THE TIME (2)	SOME OF THE TIME (3)	NONE OR ALMOST NONE (4)
